

Launched two English medium Islamic learning centers (Madrasa) for our kids and teenagers in the heart of Calicut City

The word aalim (عالم) comes from the Arabic word ilm (علم) which means knowledge. aalim means "learned, expert, scholar" in Arabic. Aalim Institute is a scientific Islamic learning center that teaches our kids and teenagers the Islamic faith in a friendly environment. Aalim Institute is managed by a group of professionals in the field of Islamic theology, educational psychology and human resource management to seek the pleasure of Allah (subhanahu wa-taala) by enriching lives through knowledge.

Admission started for the batches of 2014-2015 academic year
